Click on “Rounds” for the last step in Golf Genius.

The screenshot displays the Golf Genius website interface. At the top left, there is a utility box with the text: "Go back one page (Alt+Left Arrow)" and "Right-click or pull down to show history". Below this is the "Club Premium" logo. The main navigation bar includes "EVENT", "GOLFERS", "CALENDAR", "ROUNDS" (circled in red), and "APPS". On the right side of the navigation bar, there are links for "NAVIGATOR", "Customer Center", and "My account", along with a "System Status: Normal" indicator.

Below the navigation bar, a breadcrumb trail shows: "Senior MGA of Hilton Head" > "2020 Event 4 SP Harbourtow... Dashboard" > "Sea Pines - Harbourtown" > "Leaderboard".

A dark grey banner contains two hints: "Hint: Click on anything in blue to see more details." and "Hint: If you have questions about course handicaps, please navigate to the Handicap Analysis page."

The main content area features a toolbar with "Re-score / Print / Adjust Leaderboard / TV Display" and "Award Season Points". Below this are several menu items: "Player Points Summary", "Player Purse Summary", "4-Man: 2 Better Balls", "Closest to Pin" (with "Enter Results" and "Unscored" buttons), and "Participation Points".

A vertical "HELP" button is located in the bottom right corner.

This will then bring you back to the “Rounds” screen. Prepare to post scores to GHIN by clicking on the link!

HELP

Click on Post Scores. TM will “churn” for a while and then begin posting scores. A green “GHIN” notation under Status indicates that player’s score has been posted. If there’s a red “GHIN”, the posting was unsuccessful for that player. Hover over the red GHIN to see the issue.

Select those players for whom you wish to post scores to GHIN. You can filter the list down to specific players by custom field, as well as select the score posting type from the score type dropdown. Note that 9-hole scores can only be posted once.
